PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Applicants petition to withdraw the holding of abandonment in the above identified patent application. The present application has been deemed abandoned by the U.S. Patent Office for failure to pay the issue fee in a Notice of Abandonment mailed March 9, 2009.

Particularly, the Notice of Allowance and Issue Fee Due was not received by the undersigned attorney. More particularly, a search of the file jacket and the docket records in the attorney's office indicates that this Notice of Allowance and Issue Fee Due was not received.

Enclosed is a copy of a printout of the docket record where the non-received Notice of Allowance and Issue Fee Due would have been entered had it been received and docketed. Specifically, Applicants understanding is that the Patent Office records show that the Notice of Allowance and Issue Fee Due was mailed on November 13, 2008. With a mailing date of November 13, 2008, the issue fee would have been due February 13, 2009. The enclosed docket records do not show such an action due in the present application, which has an internal reference number of 41EB-9023.
